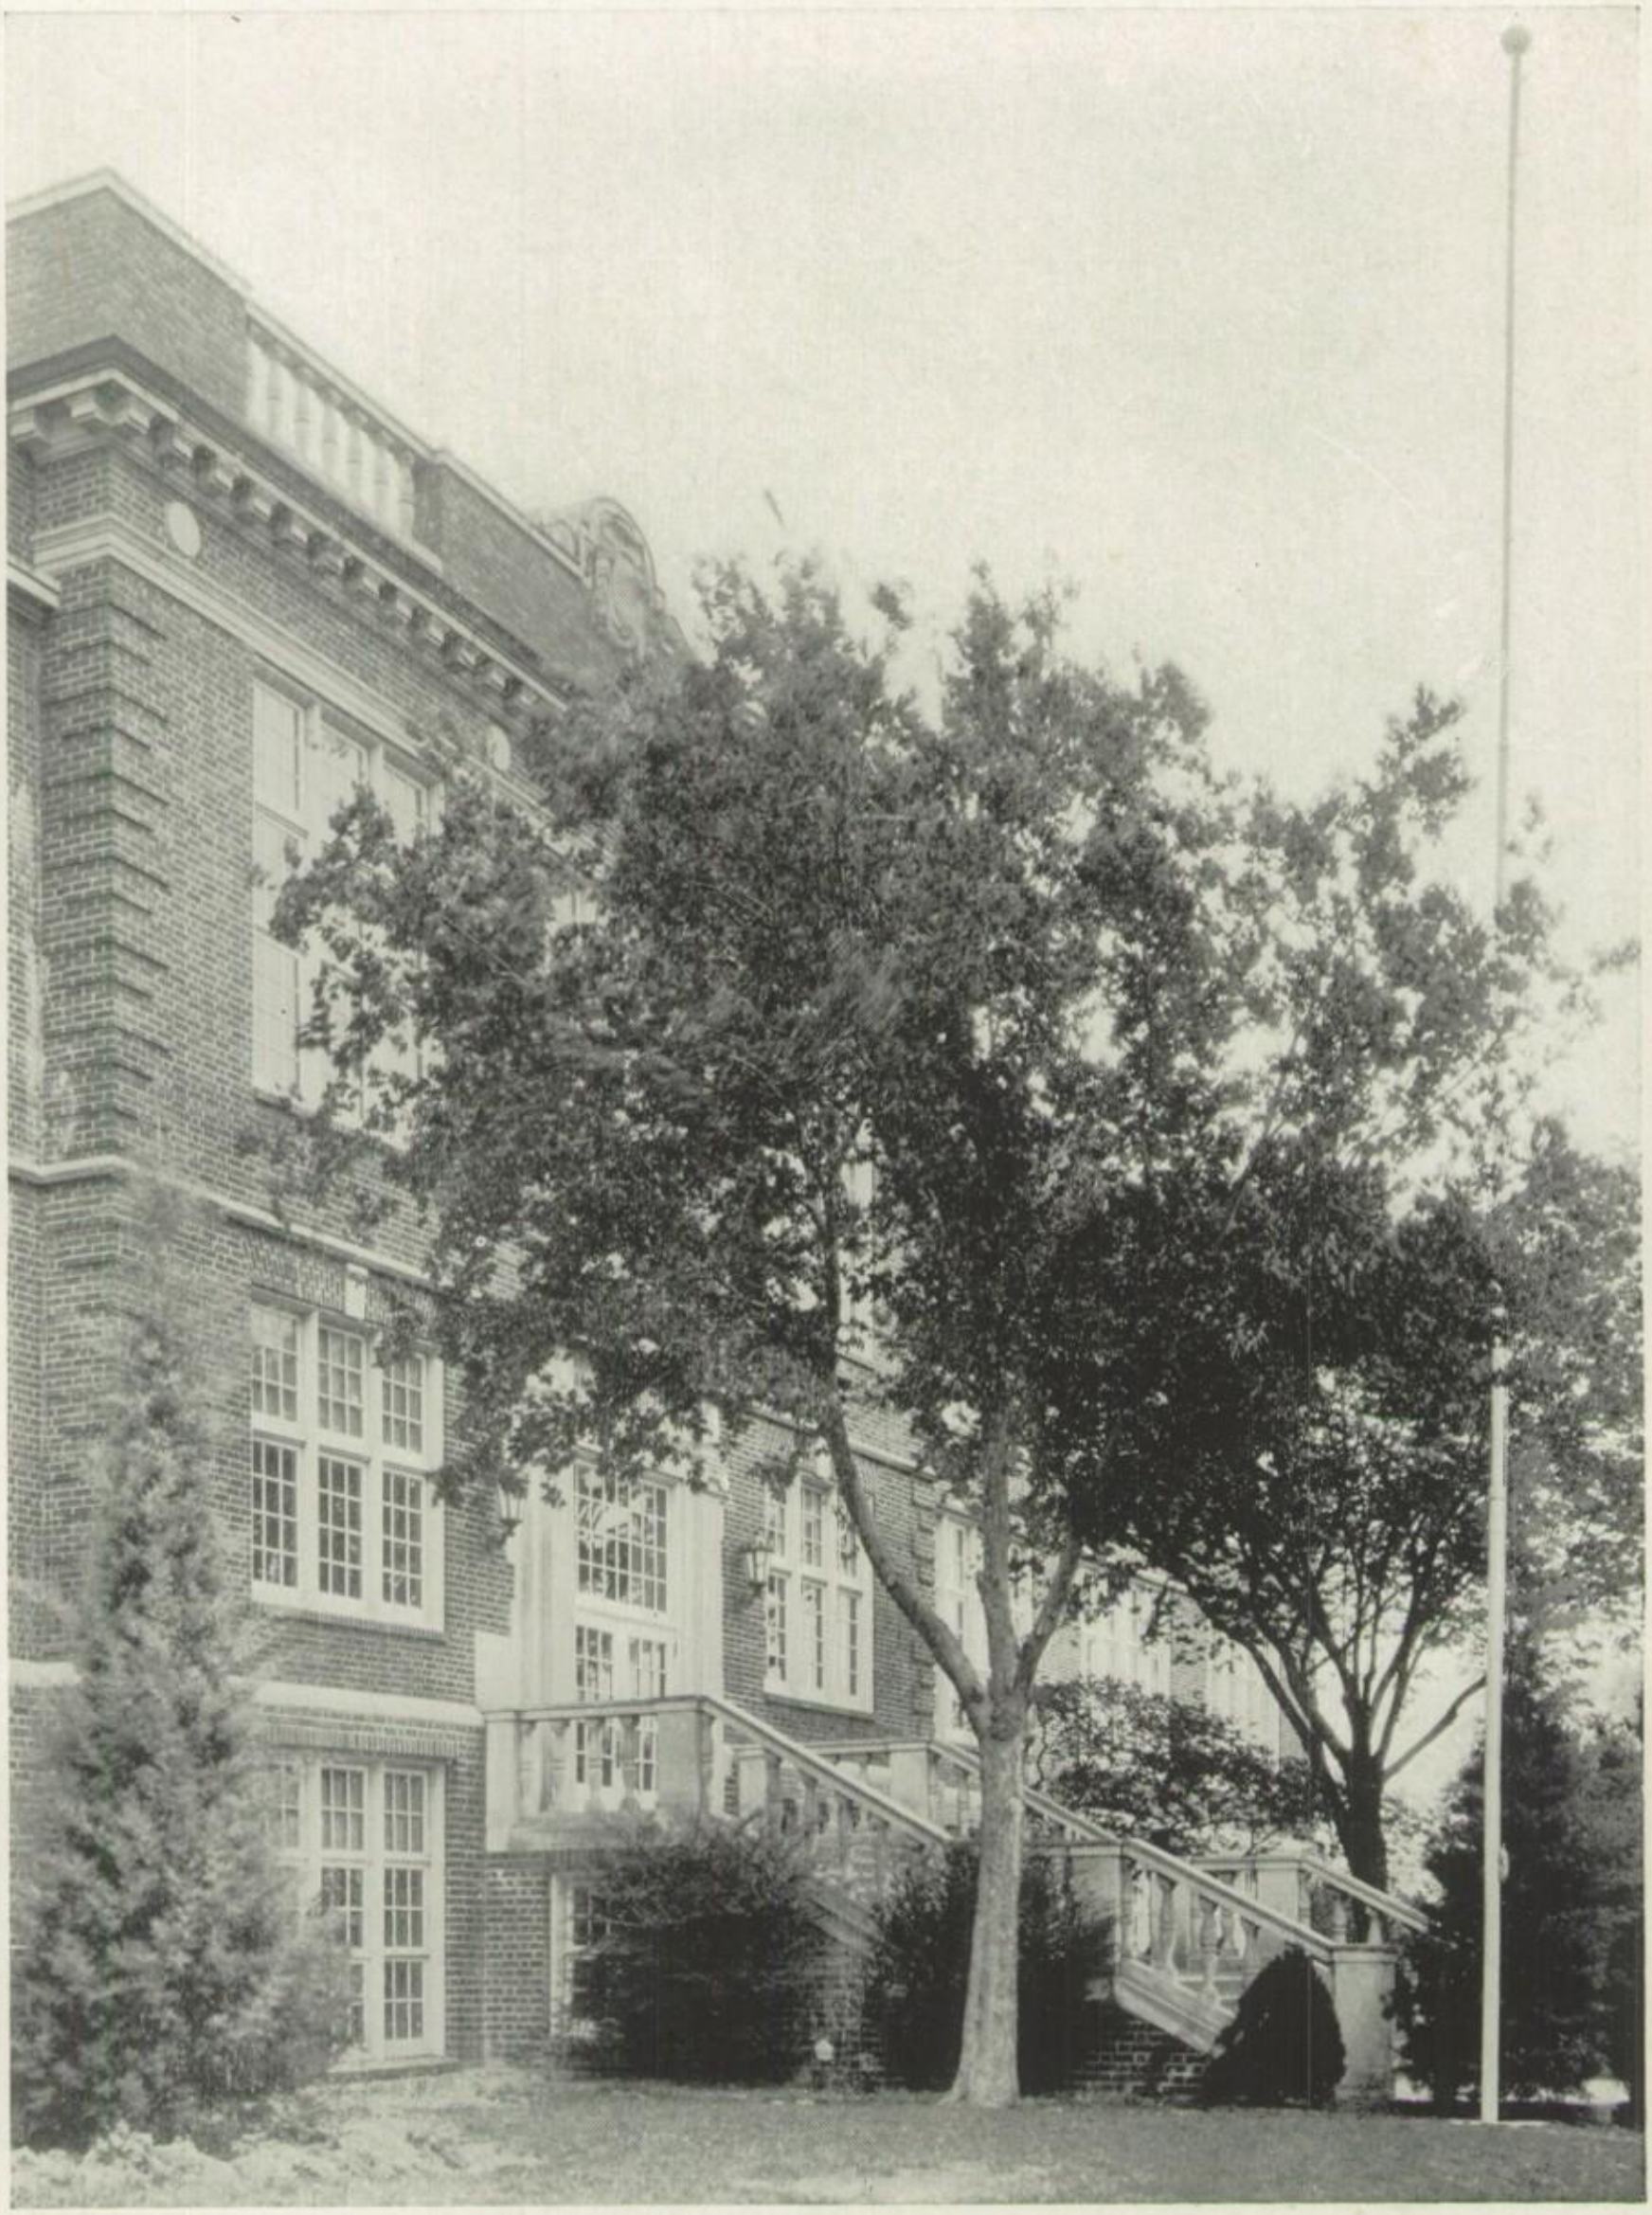
# FOREWORD

*In the far away years that the future veils*
*We know that we shall drift apart*
*But memory will guard the familiar trails*
*That are dear to the student's heart.*

*And guiding our fancies backward*
*To the joys of our high school days*
*The pictured leaves from the old Oak*
*Will be sign posts down memory's ways.*

# DEDICATION

To Miss Ruth Bell, under whose experienced guidance we have visited strange lands and elevated spheres and under whose vigilant pilotage we have been towed safely to haven, the Class of 1936 affectionately dedicate this volume.



## A TRIBUTE TO ADAMSON HIGH

*Songs have been sung in your honor,*
*Words have been said in your praise;*
*Yet we fain would sing you another,*
*Dear school of our carefree days.*

*For none have loved you more dearly,*
*Nor striven more bravely than we*
*To keep alight your ideals and traditions—*
*The living part of your great history.*

*And oh, we have cherished your banner,*
*Your banner of white and of blue;*
*We pass it on proudly to others*
*Who will keep it untarnished for you.*

*And after we have left your portals,*
*Wherever we chance to roam,*
*A blue sky flecked with white clouds*
*Will bring thought of you and home.*

In reviewing the history of the Parent-Teacher Association since it's beginning in 1901, we feel that the founders must have had as their motto:

"Therefore when we build, let us think that we build (public edifices) forever. Let it not be for present delight, nor for present use alone; let it be such work as our descendants will thank us for and let us think as we lay stone on stone that a time is to come when those stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and wrought substance of them 'See, this our fathers did for us'."—*Ruskin.*

The officers of the Parent-Teacher organization for this year have faithfully tried to add other stones to this building that have for their aims.

First: To promote student aid in home, school, church and community. To raise the standard of home life, to secure adequate laws for the card and protection of our youth.

Second: To bring into closer relation the home and school that parents and teachers may co-operate intelligently in the training of the child, and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, moral and spiritual education.

Entrance into high school marks the beginning of a new educational experience for the child. The modern curriculum deserves the study of parents that home and school cooperation begun in the elementary school may continue at a time when it is most needed.

We bid God Speed to each senior and, if we have been of service to any, we are truly glad.

The desire of the club is to be of worthy assistance to the student body in solving their problems, co-operate heartily with the faculty in the spirit of true education, to increase the patriotism of the students by inculcating in their minds an increased knowledge to their country, to promote athletics in all the numerous departments, to supervise and direct welfare work as needed by those to whom ill-fortune has fallen, to increase the sacred responsibility of the growing boy or girl as he or she enters on the course of higher education or assumes the responsibility of life, and to co-operate cheerfully with the Parent-Teacher Association in the knowledge that students of Adamson High School "lead, never follow".

The organization during the year 1935-36 has aided many worthy boys and girls in various phases of welfare work, who, otherwise, might have been forced to quit school. It has provided medical, dental, and surgical attention, as well as hospitalization in certain cases. It instituted the First Annual Athletic Round-Up, which, it is said by disinterested friends, was the most successful and largest assembly of any nature ever undertaken by any similiar organization; it assisted in various athletic events. Other accomplishments, many of them, are written in the lives of countless students who have received assistance, counsel, and consideration in their effort to gain an education and who will testify, we believe, that the Dad's Club has served the student body, the school, with loyalty and faith; ever believing that the child today is the citizen tomorrow, and that together we are privileged to serve God, our school, our state, our nation, in such a manner that the printed page cannot exemplify.

# JANUARY CLASS OF 1940

As we look back now on that first week in February, our first week in Adamson High, we wonder why it was so hard to find the class rooms, and the office and—must we admit it?—the detention hall. We had eyes, but they saw not; and ears, but they heard so much that they could not contain all. The lunch-room—that was easier, but of course, the noise helped out there.

How long ago that first week seems! And how quickly we fell in stride! Now we can rush as fast as anyone, but not shove, oh, no! to get a seat in the assembly. And we've learned all sorts of big words—precipitate, onomatopoeia, elephantine, connoisseur.

And we'll tell you more next year.

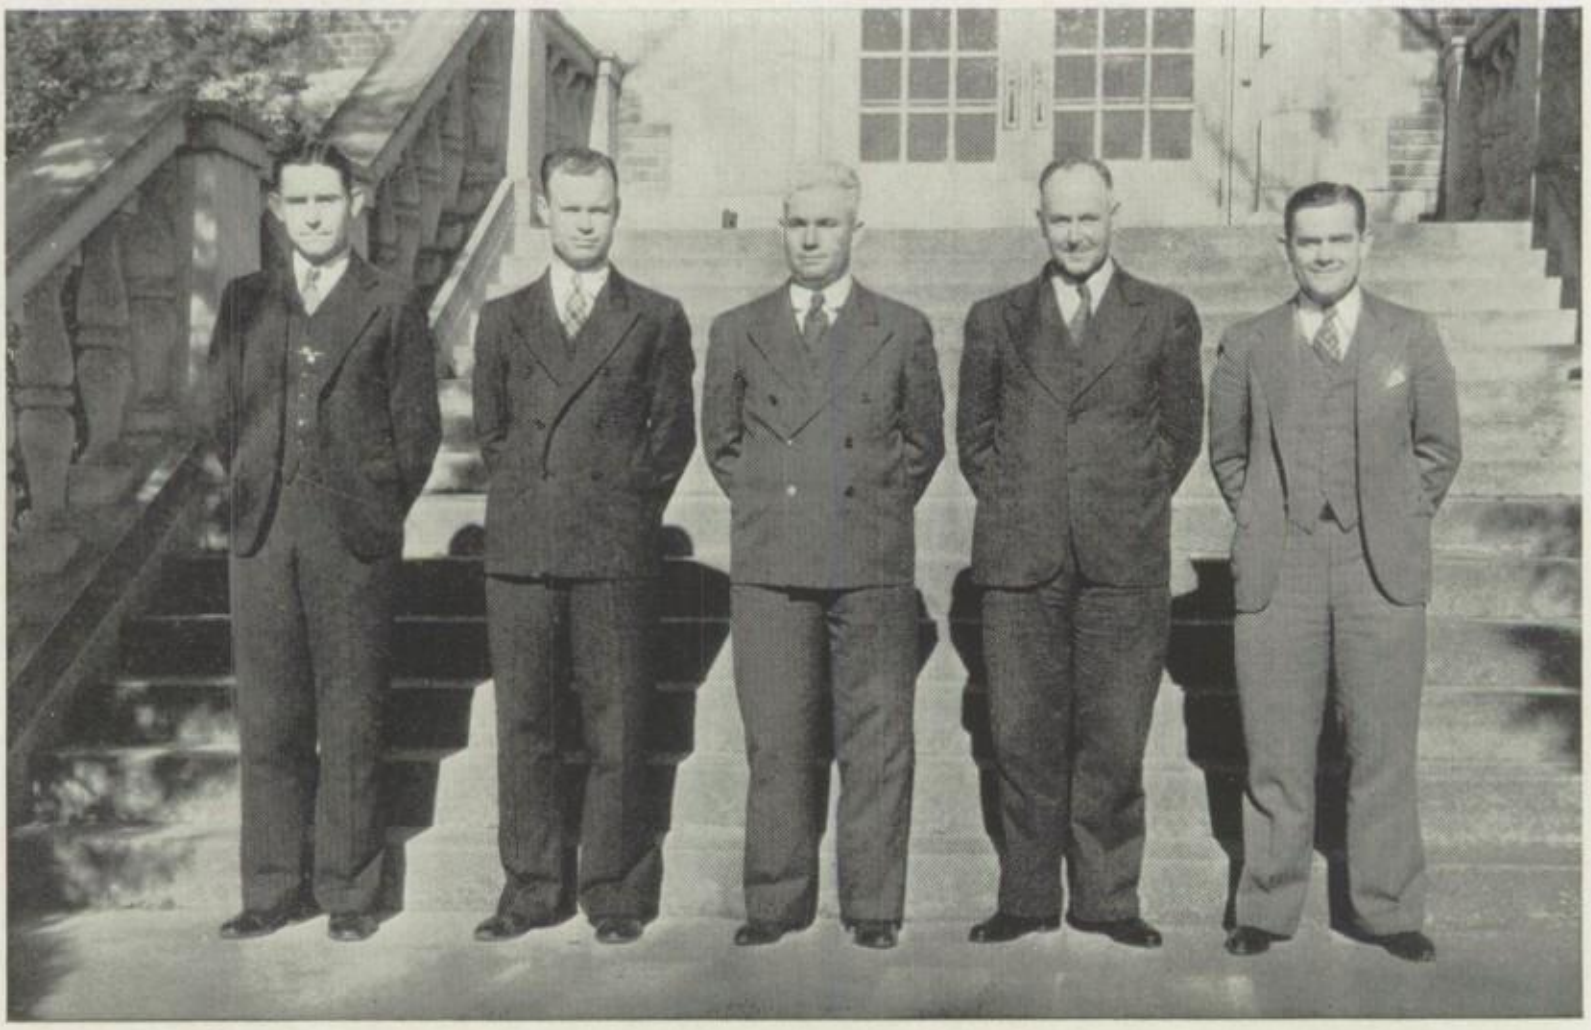
# ATHLETIC COACHES

Adamson High School is fortunate in having an admirable staff of athletic coaches.

Each coach is well-informed and experienced in his sport and each produces enthusiastic teams every season. We are proud of this group of capable men who lead us in the sporting world.



W. E. (Pop) Noah

"Pop" is a coach that is admired by the squad and by the students of Adamson High. He is a fine and jolly fellow who does all in his power to help the school in the field of athletics. "Pop" is the track coach as well as the head football coach, and he shall go down in Adamson history for his fine work.

W. P. (Bill) Durrett

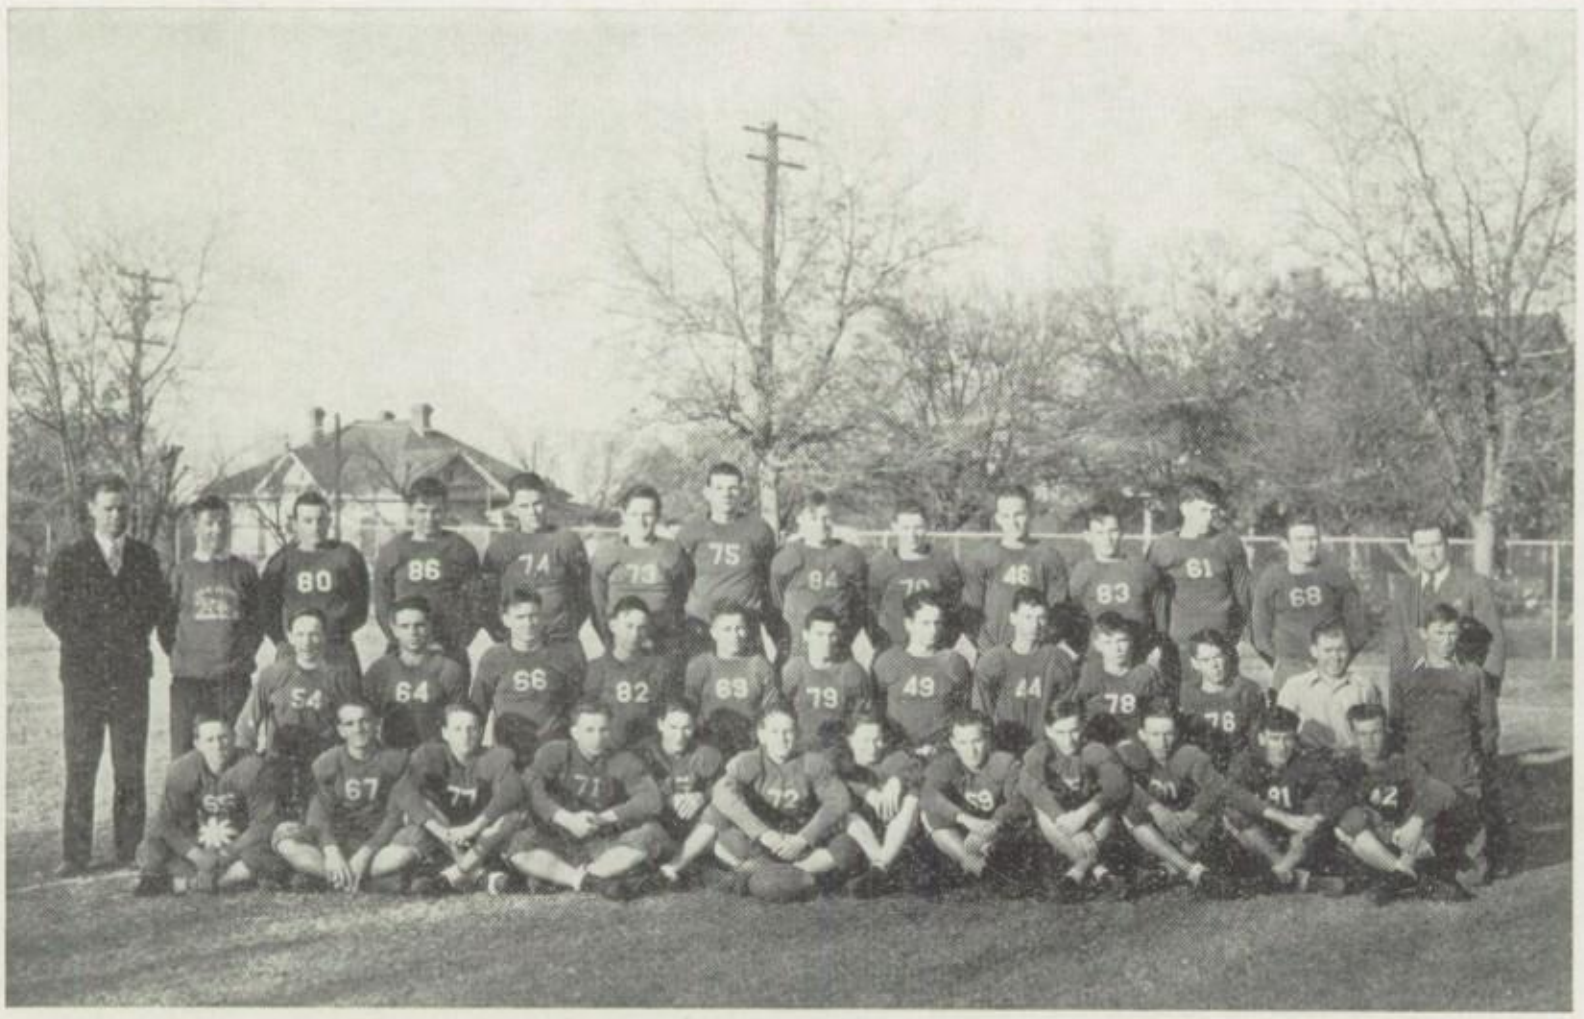
W.P. Durrett

Bill," one of the line coaches of Leopard gridders, is as pleasant and admirable a fellow as a school could ever wish for. Not only does he assist in coaching football, but he is also head coach in basketball and baseball and is excellent at both. As a salesman, well, just try not to buy anything he is attempting to sell you.

Virgil Ballard

Although Mr. Ballard was new to the school, he was not new to the game of football. He is a person whom it is really a pleasure to know and he always works to develop a hard-charging team for Adamson High. We hope Mr. Ballard will remain with us for many seasons to come.

# ADAMSON FOOTBALL SQUADS



RAYMOND (DOUGHNUTS) OSTER

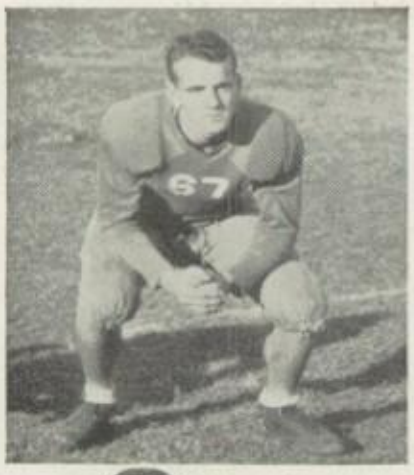
*(Co-Captain) Halfback*

Raymond, known to be one of the fastest men in the city, did an extraordinary job at the halfback position. Ray is to be admired for the valiant fight which he put up the entire year, although under a heavy strain. This was Raymond's second and last year with the team, and he did a fine job at the captain position.

JACK (LITTLE DURRETT) WILLIS

*(Co-Captain) Center*

This boy could be better known as the hard plugging utility man of the Leopards. Early in the season Jack filled the center position, and he was later shifted to the fullback position in which he developed into the hardest charging man on the team. "Little Durrett" played a very excellent brand of football the entire year and was the most dependable man on the squad. Jack was unanimously chosen on the All-City Team, and should be All-State material next year.



### Ben Lytle
*Quarterback*

Ben Lytle, the only three-year letter man on the team, barked signals for the Leopards this year. Most of the team's victories were due chiefly to the brain-work of Lytle. His fight and determination spread over the whole team. This is his last year to play and a man capable of filling his position will be hard to find.

### James (Red) Mosely
*End*

Although this was "Red's" first year with the team, he played his end position as if he had had a life time experience at it. "Red" was one of the best defensive as well as offensive men the Leopards have had for a long time, because he was always ready for anything. This was also "Red's" last year. He ended with All-City Honors.

### W. A. (Bussey) Strickland

The fair headed boy with the rosey cheeks has played his last year with the Leopards and he will be hard to replace next year. Although Bussey was not a flashy player, he was as consistent as could be asked for. He was also a quiet sort of boy who could be seen and not heard.

### Ralph (Ruppy) Perry

Ralph is the boy who never missed a day of practice for four years until he had his ankle broken in mid-season this year. Ralph, although he had not lettered his three previous years, stuck it out throughout his stay in high school, and this year he was awarded a letter for his fine play. Ralph is the kind of lad any coach would be proud to have.

### James (Moose-Nose) Christe

Christe was a little slow in getting started this year, but when he got off, the opposing team was never trying to run his side of the line. "Moose" was the colossal man of Leopards and really took advantage of his distinction on the gridiron. We are glad to say he will be with us next year.

### Joe (Black Dallas) Davis

Joe was a lad who had great ability, and he could not be surpassed in side-stepping a tackler. He was a punter of the best sort, and really showed his ability against Sunset. Joe was a fine passer, and would be terrific if only he were with the Leopards again next year.

### P. H. (Pete) Dunham

"Pete" played guard for the Leopards this year, and he really played it, too! He was said to be the hardest man on the team to block, for it seemed that he would never give out. P. H. should be one of the most outstanding players in the city next year, and a sure shot for All-City.

### Pete (Elmer) Layden

Although young and inexperienced, Pete could be depended on at end. It seems to be Pete's ambition to teach his cousin, Elmer Layden, some football pointers and at the rate he has started, he will succeed. Pete was a boy who had little to say and plenty to do and he should plenty next year.

### Bill (M. K. G.) Watson

Bill was handicapped nearly the entire season with a twisted knee. Nevertheless, he always came through with flying colors. Whenever a touch down was needed, old Bill was called upon, and he seldom missed. Bill will always be remembered for his fighting heart and unconquerable spirit.

### Mack (Supple) McGinnis

With a very successful season to his credit, Mack spent his last year with the Leopards. "Supple" was always ready to take the opponents and the more they would mix it with him, the better he liked it. In short, Mack was a whiz at tackle.

### Jim (Rhythm) Brower

Jim, the smaller of the Brower twins, was one of the best ball carriers of the Leopards. He was fast and shifty, and a good passer as well. Whenever the ends needed circling, Jim was raring to go. "Rhythm" will be remembered by all for his fine spirit and friendliness.

### Alvin (Ju-Ju) Sterling

When a dependable defensive man was needed, Alvin was called for. He had the "stuff" that makes great football players and he could surely put it out. "Ju-Ju" had a very successful season, for he had a knack of diagnosing plays and was always ready in the right place. The nineteen year rule will not effect Alvin, so he will see action next year.

### D. C. (Cherry) Nolen

D. C., another star of the track team, did an outstanding job at guard this year. "Cherry" was a hard fighting kitten who could block and tackle among the best of the squad. This was D. C.'s second and last year to letter on the squad, as he graduates in June.

### Gene (Deacon) Campbell

This was Gene's second year on the squad and, although he did not letter last year, he stayed with the squad and was among the best blockers and passers in the city. "Deacon" will be missed next year for his fine spirit and good humor.

### Fred (Cautious) Drees

Although Fred was just a shade late in advancing toward his fine playing this year, he ended the season with a bang. "Cautious" played only a single year with the Leopards, but he will always be remembered for making greatest improvement, among all the men on the team.

### Leon (Thompson) Gambrell

Leon was one of those players who are not flashy, but who are always hitting the opponent hard and fast. Leon saw action with the Leopards last year and will graduate in June.

### Pat (Patricia) Brower

Pat made his first year on the team a very successful one at the center position. Pat was a boy with little experience but he was always practicing, trying to become a better passer and blocker. Pat, like his brother, will not be caught by the nineteen year rule, and will see action next year.

### Howard (Hiram) Nelson
*Captain Elect*

Hiram was one of the best ends in the city and he and "Red" Mosely made a pair of ends any coach would be proud to have. Howard would have been nearly a sure bid for All-City honors had he not acquired an ankle injury which kept him on the sideline during the last of the season. "Hiram" will see action with the Leopards again.

W. P. Durrett

W. P. Durrett should be given full credit for his laudable work during the basketball season of 1935-36. In addition to coaching the Leopard cagers to a second place in the city series, he created such an interest in the sport as has not been known since it started in Dallas.

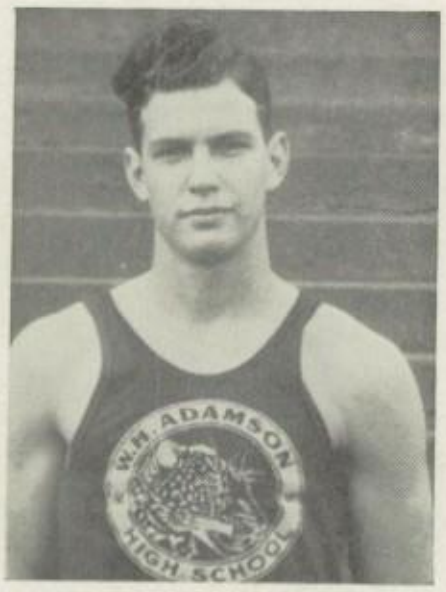
# BASKETBALL SQUAD

## BASKETBALL QUEEN

For the first time in the history of our school, a Basketball Queen was chosen. Evelyn Honeycutt was crowned after a triumphal march between the halves of the first game of the season. The Queen in her chair of state presided over the remainder of the game.

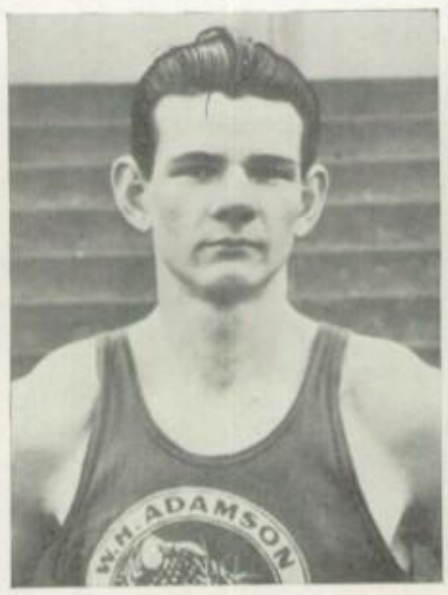
### Colyar Phillips

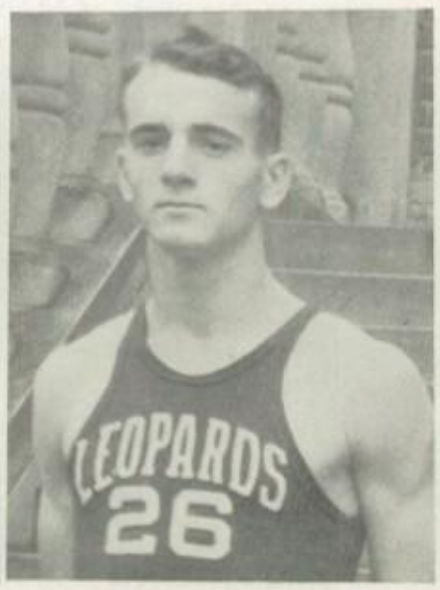
Colyar was one of the lettermen returning from last year. He played forward in excellent fashion, but when a guard was needed, he filled that position also.

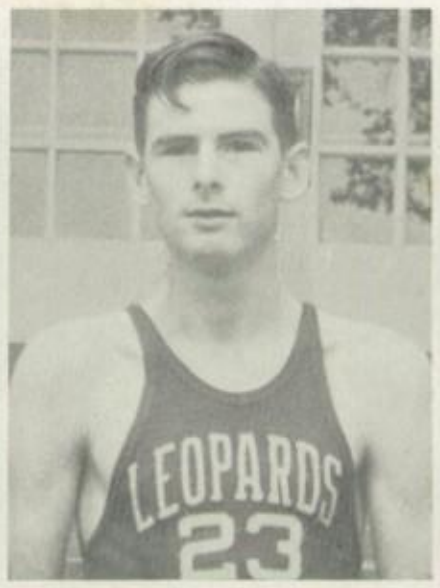


### Jack Willis

Jack was also a second year man, always in the game fighting for a victory. His pep and co-operation aided the Leopards to a great extent.







JAMES CHRISTE

The only All-City man on the squad this year was "Moose-Nose", but he really deserved his honor. Mr. Durrett often said, "When Christe's off, the team's off."

BEN LYTLE

Ben played a excellent brand of basketball this year with the Leopards. The Kitties owe much to him for his good teamwork and splendid sportsmanship.

CLIFTON HUNTER

Beyond a doubt, Clifton would have made All-City had it not been for his graduation at mid-term. His height and ability were missed very much in the second half.

NORMAN WATSON

"Duke" improved the most of all the men on the squad and will be hard to stop next year. This was his first year to letter.

BASS WILLIAMS

It was often said that Bass could be a polished basketball player and this year he showed it by his excellent ability at the guard position.

FERMAN FOWLER

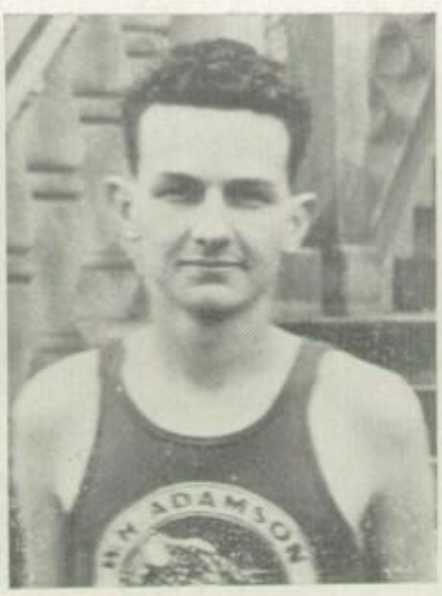
Even though Ferman was handicapped for a short time by illness, he always came back in time to help the team. This was his second year to letter.

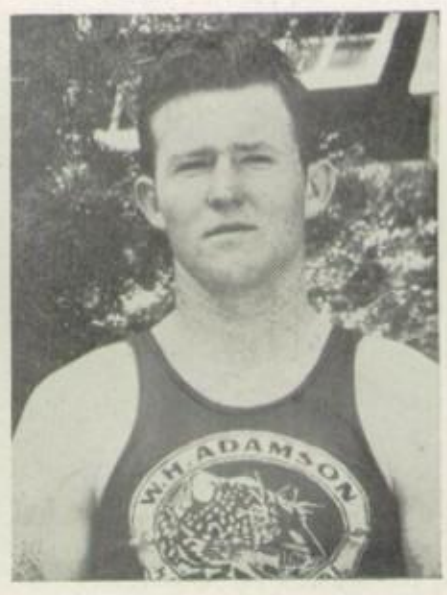
WARREN COOPER

Although Warren was not one of the starting five, he was always raring to go when he was needed. He played at forward position.

JAMES MOSELEY

Red was one of the "hot-shots" of the team and was a hustler if there ever was one. He was made ineligible in the second half by the eight semester rule.





# BASEBALL TEAM

Facing the 1936 City Series Baseball season with a balanced group of players, and several promising recruits, Coach W. P. Durrett and Captain Joe Davis showed the other city coaches that they would have to hustle to stop the Adamson Leopards. The team has several individual stars, but the teamwork displayed has been outstanding.

As the *Oak* goes to press, we have seven wins and three defeats with a good chance to cop the flag and add another cup to the trophy collection.

## TRACK TEAM

The 1936 track team, coached by Winton E. "Pop" Noah, won the City Track Meet with 65 1/5 points to the nearest competitor's 33 1/5. Hanszen was high-point-man with 15 points and Brower was third with 12 1/4. D. C. Nolen, captain, broke the eleven year old record in the 220-low hurdles. Other letter men were: Ulm, Ryan, Wise, Linehan, Campbell, Gable, Burroughs, and Loring. The Leopard team also won the district and regional championships and are rated as favorites in the State. Beth Thompson was chosen Cinder Sweetheart of the track team.

D. C. Nolen

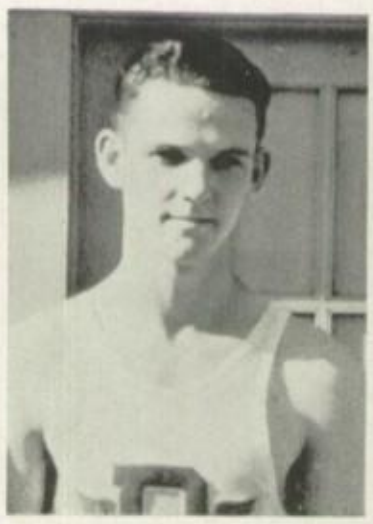
D. C., captain of the team, played an outstanding part in the winning of 1936 honors. He broke the 220-low hurdle city record, and scored high in every meet.

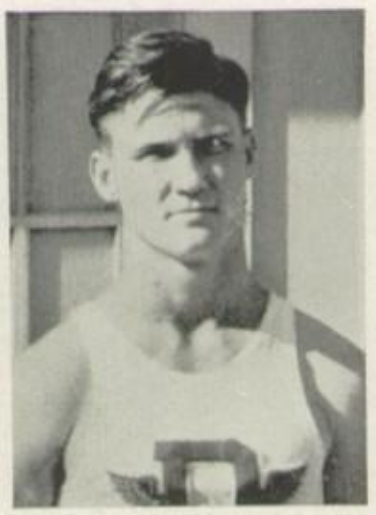
Jim Brower

Brower, a senior speed demon, was second high point man in the city meet; winning the 220 yard dash, scoring second in the 100 yard dash and broad jump, besides being a member of the winning relay team.

Gene Hanszen

Gene, running his last year for the Blue and White, was high-point-man in the city meet, winning the high-hurdles, low hurdles, and high jump.





### Ben Loring

Ben won his letter running on the relay team. If he could have been out for track longer, "Big Ben" would have been tops in the 440 yard dash.

### Randall Ryan

Randall won the pole vault, tied for second in the high jump, and took fourth in the broad jump in the city meet. This is Randall's last year, and his loss will be a great one.

### William Ulm

Ulm, junior member of the relay team, also won the 440 yard dash. Ulm has another year and should be a sensation.

### Gene Campbell

Gene, a senior, placed second in the discus and third in the low-hurdles. He is a regular fellow and a swell athlete, and we hate to see him leave.

### Junior Gable

Gable was sick during the city meet, but lettered in the district by running on the winning relay team. This was his first and last year on the team and his loss will be felt next year.

### Jimmy Wise

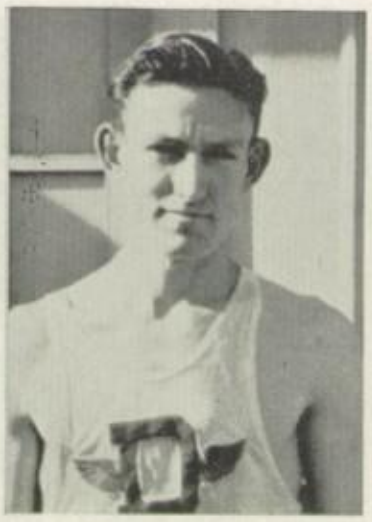
Jimmy won the broad jump in the city this year. Jimmy will return next year and should be one of the mainstays in the 1937 team.

### R. J. Burroughs

R. J. was unable to run in the city meet because of sickness; but he won his letter in the district meet running on the relay team. This is his last year with the Leopards.

### Jack Linehan

Winning second place in the mile run is no small feat for a sophomore, and so great things are expected from Jack in the next two years.



# OUR CHEER LEADERS

This year marked a glorious revival in our school spirit, and in this revival, our cheer leaders played no small part. They led the student body in enthusiasm, and contributed great encouragement to the teams.

W. H. Adamson High School appreciates its cheer leaders of 1935—Lois Hamilton, Lyal Sneed, Sybil Roan, Chal Linn, Colyar Phillips, and Lucas Girraputo—and regrets that at least four of them will have to be supplanted next year.

High school seniors who are looking forward to employment and opportunity as early as possible after Commencement, will be interested to know that during the first three months of 1936 our Employment Department placed 111 young people—most of them 1935 High school graduates—in good starting positions with Dallas business firms; and had 48 calls that we were unable to fill.

A complete record of these calls and placements are on file at the College office—the broadest assurance of the opportunities that await your graduation here that it is possible to conceive.

## PHILOSOPHY

When it's been raining all afternoon and the evening mail doesn't contain the letter you expected and your supper is cold and tasteless, and you go to a show and it's terrible, just make yourself believe that it won't rain tomorrow, that the letter will come in the next mail, that your next meal will be all right and the next show you see will be entertaining. And, should it happen that it does rain the next day, the letter fails to arrive, the meal isn't any good and the show is not entertaining, then have a good laugh for being able to kid yourself into believing such things would happen.
